Christian author Lynn Baber presents a practical and easy-to-read message challenging readers to examine the source of their beliefs at this critical moment in human history. The greatest danger to Christians today is false teaching based upon false prophecy. Familiar words like God, Jesus, Bible, and Christian dont mean what they used to. Rapture and Revelation provides a scriptural path permitting you to separate what is true from what is not. There is an absolute need for messages that offer simple truths about the times we live in. You will discover the link between science and God in these pages as well as meeting the jesus introduced in such popular books as The Shack and The DaVinci Code.
