Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Imagine Jesus walking throughout Galilee's lushness. Hear him speak about rain falling on an Earth containing no enemies. Laugh at the wit of Jesus. Enter stories about his best friend, Mary Magdalene. Jesus used snakes and crows as teachers. Wonder at the intelligence of animals, including chimpanzees. The Aramaic language of Jesus reveals earthy meaning. His teachings, examined in seventy sayings, are compatible with sustainability. Green Kingdom Come! shows that the lifestyle and ministry of Jesus is green. This book is the first to connect Jesus with our ecological crises today. It features sustainable principles based on his sayings. It suggests green practices and attitudes. Green Kingdom Come! weaves together science and religion. A cross-cultural appendix lists sixty sacred and secular names for the oneness of both Earth and universe systems. Help create an Earth Community livable for all species, a green kingdom come! About the Author Joe Grabill is a retired professor of history and director of peace studies at Illinois State University. He has made seven research trips to the Holy Land and has written...

### Reviews

*This pdf is wonderful. We have gone through and so I am certain that I am going to go through it again once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.*

-- Ollie Balistreri

*This published book is wonderful. It is really simplified but unexpected situations within the fifty percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
