We are spiritual people intimately connected with the animals, plants, and earth, as well with each other, and many of us want to protect our environment and create a better society. But why? What basic principles will enable us to build caring, sharing, and responsible communities in which the earth can flourish and we can all feel we belong? How can we develop a new world view and a new way of life for us all? A world view based on a genuine spiritual connection with all things, but unfettered by religions, ideologies, or gods. A way of life based upon intimate harmony with all around us. If we are part of all things, how should we act? What type of society should we create? You Are All presents ideas and suggestions for a new set of spiritual values, moral values, and social values based upon a deep sense of our fundamental connectedness with nature that does not involve heavens or hells, karma or rebirth, but only our own direct communion with the universal energy of all.
