One who wants to get joy of book reading especially in very less time can go for it. About The Book Samuel Richardson, the son of a joiner, was born at some place not identified in Derbyshire, England, 1689. After serving an apprenticeship to a stationer, he entered a printing office as compositor and corrector of the press. In 1719 Richardson, whose career throughout was that of the industrious apprentice, took up his freedom, and began business as printer and stationer in Salisbury Court, London. Success attended his venture; he soon published a newspaper, and also obtained the printing of the journals of the House of Commons. Pamela, or Virtue Rewarded, was written as the result of a suggestion by two booksellers that Richardson should compose a volume of familiar letters for illiterate country folk. It was published towards the end of 1740, and its vogue, in an age particularly coarse and robust, was extraordinary. Of the many who ridiculed his performance the most noteworthy was Fielding, who produced what Richardson and his friends regarded as the lewd and ungenerous engraftment of Joseph Andrews. The story has many faults, but the portrayal of Pamela herself is accomplished with the success of a master hand. Richardson died July 4, 1761.
