Reviews

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

F.A. Davis Company, United States, 2011. Paperback. Book Condition: New. 2nd. 274 x 216 mm. Language: English . Brand New Book. Develop the skills you need to effectively and efficiently document patient care for children and adults in clinical and hospital settings. This handy guide uses sample notes, writing exercises, and EMR activities to make each concept crystal clear, including how to document history and physical exams and write SOAP notes and prescriptions. This edition has been completely revised and upgraded with more in-depth coverage of documentation and its ramifications, more documentation samples to analyze and emulate, and even more learning tools. You'll also find access to our special version of Amazing Charts, online at DavisPlus. Amazing Charts is a fully functional, Windows-based, professional EMR software package currently being used by more than 3,200 medical practices nationwide.
