Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Xulon Press. Paperback. Book Condition: New. Paperback. 426 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. From the beginning of time, and even so in Heaven, and during the first earth age, and in this second earth age, and every second that we live and breathe, as time marches forward. The Great and Marvelous Most High God never changes. And He is still the same today as He was in the beginning. With His ultimate wisdom He doesn't have to rethink things, or change anything that He decreed in the past, because His supernatural and superior knowledge is without flaw or mistake. And He is a perfect and Wonderful God that no devil, or angel, or any man can compare too. The wisdom that He shows us is the genius of a Creator God that made and created the heavens and the earth and all living things. And when He says that certain things or animals or men are unclean then His decree is absolute and never wrong. And The Wonderful Most High God will not be close to a person and share a personal relationship with any man or woman that puts no difference between the clean and the unclean, or the holy and the unholy, or the just and the unjust. And if you want a close personal relationship with God, then you must be clean, holy, and just, and keep His true seventh day Sabbath Day holy, otherwise you have nothing to offer God, because the treasures that you lay up in Heaven are your morals, and character, and your knowledge of Him. And all the bible stories that I write are meant to increase bible knowledge to a higher level of understanding. In this book I write ten very serious stories that have everything to do with the holy...
