

## Advanced Stair Stringer Layout Methods

If you're interested in advancing your skills as a stair builder or someone who desperately needs to understand the fundamentals of stair stringer layout, then the methods inside this book, we'll take you to the next level.

Master Stair Builder - Greg Vanden Berge will share some of the extraordinary fundamentals as well as advanced techniques, few carpenters in the world are familiar with.

This is a one-of-a-kind book and was written in a simple and easy to understand format. There are many people who have read my other books who are extremely skeptical about my other books said this was one of the best books I've written so far.

This book was written for carpenters, contractors and anyone who wants to learn how to build stairs. I recommend this book to anyone who doesn't understand the fundamentals of stair building.

This book won't provide you with step-by-step stair building instructions on how to figure out the rise and run. This book offers a different approach for working with stair builders and everyone else interested in taking the next step and learn more about stair building and stair stringer layout.
