George Orwell's 1984: A Focus Study Guide (Paperback)

By MR Edward Morneau

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. 1984 George Orwell Focus Study Guide is one in a series of educational units designed to help students with an understanding and appreciation of great and still relevant literature. Teachers new to the profession and seasoned teachers will find practical tools for reading Orwells text as well as related materials that amplify his ideas. This guide is different from others in its approach to 1984 as a work that needs to be read and understood on a number of levels. As a reading experience it is the touchstone of most dystopian literature and uses the anti-utopian codes in maximally efficient ways. As a satire, its extremes are imaginative, but critical in understanding the nearly unbelievable abuses of power of which people are capable and for which history has its political progenitors and practitioners. 1984 is also about the power of language as it is related to the way we think and express ourselves. And because language is at the root of dystopias deception, the extremes of propaganda and their effects are revealed through Orwells text...

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

-- Angus Hickle

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
