Dodd Merrill Press, LLC, United States, 2012. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Today the chalk drawing for the painting Christ on the Cross for Vittoria Colonna resides in the British Museum, but what visitors view is not what was given her by Michelangelo. The original drawing given to her for his last painting had horrifyingly ominous and grotesque demonic, human and animal faces hidden in the swirls of chalk surrounding Christ s body. Michelangelo s Last Painting is an epic tale of international intrigue and conspiracy at the highest levels. The story spans over 400 years and exposes a chilling revelation discovered in the faces of the original chalk drawing and then concealed in a secret book of the Jesuit religious order and in the painting, which is lost. The terrifying revelation is an ancient curse, which explains attempts to exterminate the Jewish people since the time of Abraham. Richard Arenell and Sao Damrey, lovers, notable art experts, and glamorous members of the fine art glitterati, have been given a mission by a powerful and shadowy Asian software mogul and art collector. To find and secure, by any means possible, the painting of Christ on the Cross, which is now rumored to have been found after being lost for centuries. As their lives are changed so will yours of what is real and what is fiction in Michelangelo s last painting and its warning for the future. A cliff-hanger, a thriller, a suspense story. the pace of the story to search out the truth is exciting. Can see it as a movie-- a better movie than Dan Brown s DaVinci Code.
