

The Time Machine (Paperback)

By H G Wells

Createspace, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. The Time Machine is a science fiction novella by H. G. Wells, published in 1895. It is generally credited with the popularisation of the concept of time travel by using a vehicle that allows an operator to travel purposefully and selectively. The term time machine, coined by Wells, is now universally used to refer to such a vehicle. This work is an early example of the Dying Earth subgenre. The Time Machine has since been adapted into two feature films of the same name, as well as two television versions, and a large number of comic book adaptations. It has also indirectly inspired many more works of fiction in many media. History Wells had considered the notion of time travel before, in an earlier work titled The Chronic Argonauts. This short story was published in his college s newspaper and was the foundation for The Time Machine. Wells frequently stated that he had thought of using some of this material in a series of articles in the Pall Mall Gazette, until the publisher asked him if he could...
