Now ample pupils after school hours. many parents are full of eager. helping children with primary school mathematics confidence. that is to calculate the Well! In fact. this is a big misunderstanding. we stand on the adult's point of view. that the elementary school mathematics. but we do not stand on the child's perspective on thinking. We do not know the child's way of thinking. and believe that the child such a simple question how not. In fact. this is not the child's problems. our counseling methods. Another problem is parent counseling classroom teacher talking about something repeated. the child is not interested in is a waste of time and is not targeted. The status of the parents: want to teach. but I do not know Taoism. how to teach. Textbook analysis is the first true sense of the parents counseling books. it is not to repeat the content of classroom teaching. but the supplement classroom teaching. Preparation of thinking is: the diagnosis of the subject found through the problem. analyze the nature...
