Simon & Schuster. Hardcover. Book Condition: New. Hardcover. 112 pages. Dimensions: 8.1in. x 6.2in. x 0.6in. A few lucky women have been born with style -- think Diana Vreeland and Jacqueline Onassis -- but for most of us, style is something that comes with time and experience. Above all, style begins with a sense of who you are and your self-confidence. Style comes from opening yourself to the world around you -- to books and movies, art, music, travel, and especially to other people. In this upbeat and engaging book, designer Kate Spade talks about the many people and experiences that have inspired her. For Kate, movies as varied as *The Swimmer* and *The Red Balloon* have influenced her vision of style, as have such places as Mexico (where she and her husband, Andy, vacation each year), Napa Valley, and her hometown of Kansas City. In the pages of *Style*, you'll find a large section devoted to the colors Kate most loves and suggestions for combining them. Accessories, which are the backbone of her wardrobe, are given full treatment here, including shoes, handbags, hats, gloves, and jewelry; and a portfolio of Kate's personal favorites from her own closet is showcased. *Style* in the office, evening style, even ideas for style when you travel and when you play are all featured here. The last section of *Style* focuses on maintaining your wardrobe, including tips on organizing your closet, caring for vintage clothes, and keeping your jewelry in good condition. *Style*, with 230 watercolor illustrations, is a wonderfully personal and friendly book intended for readers of all ages and style temperaments. If there's one rule Kate espouses, it's that true style comes when you follow your own rules. Moreover, as the writers William Strunk, Jr., and E. B. White once wrote, To...
