Three Rivers Press (CA). Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. **Teasing Secrets from the Dead** is a front-lines story of crime scene investigation at some of the most infamous sites in recent history. In this absorbing, surprising, and undeniably compelling book, forensics expert Emily Craig tells her own story of a life spent teasing secrets from the dead. Emily Craig has been a witness to history, helping to seek justice for thousands of murder victims, both famous and unknown. Its a personal story that you wont soon forget. Emily first became intrigued by forensics work when, as a respected medical illustrator, she was called in by the local police to create a model of a murder victims face. Her fascination with that case led to a dramatic midlife career change: She would go back to school to become a forensic anthropologist and one of the most respected and best-known bone hunters in the nation. As a student working with the FBI in Waco, Emily helped uncover definitive proof that many of the Branch Davidians had been shot to death before the fire, including their leader, David Koresh, whose bullet-pierced skull she reconstructed with her own hands. Upon graduation, Emily landed a prestigious full-time job as forensic anthropologist for the Commonwealth of Kentucky, a state with an alarmingly high murder rate and thousands of square miles of rural backcountry, where bodies are dumped and discovered on a regular basis. But even with her work there, Emily has been regularly called to investigations across the country, including the site of the terrorist attack on the Murrah Building in Oklahoma City, where a mysterious body part a dismembered leg was found at the scene and did not match any of the known victims. Through careful scientific analysis, Emily was able...
