No One Has Hired Us: Bible Truths for the Unemployed (Paperback)

By B. Wayne Bradfield

WestBow Press, United States, 2011. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Many excellent books have been written on the subject of how to get a job, and it is not my goal to add another to the library shelves. This study seeks to examine employment and unemployment from a Biblical perspective and will hopefully make suitable companion reading for other self-help books. If the Bible is-as many people say-God s operating manual for successful living, then surely it will be our source of needed wisdom to cope with every life situation, including joblessness. Contrary to the opinion of some people, the Bible has great relevance in today s world. I have discovered a virtual gold mine of guidance, instruction, and encouragement for those who would turn to God s Word in times of unemployment. Like gold, however, the nuggets are seldom found on the surface; they must be discovered through some effort. They are found embedded in the principles governing God s kingdom that are scattered throughout the Bible. These principles will not only teach us how we should live, but also how we can make a living.

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.
