USATF, IAAF, AND IOC (HARDBACK)** ebook.

Carolina Academic Press, United States, 2014. Hardback. Book Condition: New. 279 x 213 mm. Language: English . Brand New Book. Hastings v. USATF, IAAF, and IOC is a case where sports, constitutional law, and human rights law converge when an elite athlete is excluded from the Olympics due to her gender. This case is a federal appeal by Nakia Hastings, a female intersex athlete who was excluded by USA Track Field ["USATF"] from the US team sent to the 2012 London Olympics. Her exclusion was due to new Regulations that ban female athletes with naturally elevated testosterone levels; these Regulations were promulgated by the international sports regulatory bodies [the International Association of Athletics Federations ("IAAF") and the International Olympic Committee ("IOC")]. Hastings challenged her exclusion before the Court of Arbitration for Sports ["CAS"] which ruled against her. She appealed this CAS arbitration in US District Court, alleging: that these Regulations are unconstitutional gender discrimination; that they violate her human rights; and that they should not be enforced under the "public policy" exception to the New York Convention. The District Court ruled against Hastings on all counts, and she has appealed to the Ninth Circuit. Although international in focus, the case file is designed to be accessible to US JDs and LLMs, and thus it is set in a US court and all legal authorities are available in English. The case file includes the appellate record and potential assignments, specifically, an appellate brief, oral arguments, appellate mediation, and a judicial opinion for the case. This book is part of the Context and Practice Series, edited by Michael Hunter Schwartz, Professor of Law and Dean of the University of Arkansas at Little Rock Bowen School of Law.
