I am so happy that you were able to make it back on your own two feet. Now you're off and running! Thank-you so much, for allowing me the privilege of previewing your book. See you on Oprah! Love, Judy Judy Lee Registered Nurse and avid book club member Scotts Valley, CA Aug. 18, 2009 My God Karen: Your writing and your story filled me with so many emotions. You took me on your journey of love, happiness, admiration: shock and fear of the unknown Cancer; depression searching and hoping for a cure; and much more. Your devotion to this man was endless, true and heart breaking. He broke your heart but thank goodness and God (and the wonderful people that surrounded you), your family and friends. He did not break your soul; although there were times I thought he had. I loved, I cried, I hated and I even laughed. You are a remarkable writer and you should continue to write. Thank you for asking me to read your (almost...)
