

## Learning How To Learn

---

By L. Ron Hubbard

Bridge Publications, Inc. Paperback. Book Condition: New.

Paperback. 202 pages. Dimensions: 10.4in. x 8.4in. x

0.6in. Learning How To Learn The basics of effective study for 8- to 12-year olds, fully illustrated. Children who read and apply the materials in this book regain their enthusiasm for study and their ability to apply this knowledge in life. Get this book for a child you want to see win at his studies! Barriers to Learning Overfilled class-sizes, economic disadvantages and learning disorders are common. Yet underlying all of this, there are three primary barriers that keep one from successfully studying a subject. Despite all that has been written on the subject of study, these three barriers were never isolated as having such importance in effective education. This is not attention deficit disorder, emotional problems, or stupidity at work. This is the emotional or physical reaction a student of any age will experience when encountering one of these barriers to learning. Students fail to learn because no one has ever taught them how to learn how to identify the barriers to learning and how to overcome them. What are the three primary barriers to learning The answer is found in the Study Technology given...
