Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from History of the Duroc: A Short History of the Duroc Jersey, Breed of Swine The most frequent inquiry that has come to my desk each week for the last several years is, Where can I find a book that contains a history of Durocs? In order to answer many of the questions that arise in the mind of the student of pedigree, and in the mind of the man who has embarked into Duroc breeding with the intention of mating to produce improvement, I have written this little book. No man can be a breeder of hogs and make headway with his work, and make improvement in the quality and characteristics of his herd animals unless he knows something of the commingling of blood that produced his herd headers. Only a few of the questions that have come to me in the recent years about the breed are answered in this book. Much of the early history of the breed and the early herds has been lost for the want of a man who could devote his time to gathering up the widely scattered bits of information.
