## ANDY MARK AND THE TIME MACHINE CUSTERS LAST STAND

[DOWNLOAD PDF](#)

iUniverse. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. In the third book of the series, Andy unveils a scientific breakthrough that will make time travel practical. He and Mark, and new friend Amy, test the enhanced program and discover that something has gone wrong! The trio becomes separated in the past and returning home seems impossible. But the friends are determined to reunite, and the only way to accomplish their goal is to travel the roads that lead to the one place that they desperately wanted to avoid—the banks of the Little Bighorn River. Along the way the time travelers meet Sioux leaders Sitting Bull and Crazy Horse, ride with General George Armstrong Custer and the U. S. Seventh Cavalry, and become part of the history of Custers Last Stand! A great story for youth, told with verve and remarkable fidelity to history. - Robert M. Utley, author of Cavalier in Buckskin: George Armstrong Custer and the Western Military Frontier and The Lance and the Shield: The Life and Time of Sitting Bull. Woody Reed had done an admirable job of capturing the spirit and the flow of action at the Battle of the Little Bighorn. He has been fair to the Seventh Cavalry and the courageous American Indians who opposed George Armstrong Custer and the troopers who rode with him. The imaginative ingredients of Reed's book aside, he has succeeded in bringing a sense of history to the young, and in that endeavor alone, he is to be applauded. - Larry Sklenar, author of To Hell With Honor: Custer and the Little Bighorn. The Andy and Mark books put you into some of the most exciting moments of the U. S. history. The awesome plot lines and interesting characters make history much more fun to learn. These books are...
