As Jason travels from Greece to California to celebrate Christmas with his family, he is happy to temporarily leave his job at the State Department behind-as well as his penchant for unavailable men. But as Jason reflects on his life while gazing out the airplane window, has no idea that in just a few short hours, his parents will die in a car accident, sending his world spiraling out of control. As soon as Jason's plane lands in the United States, he is immersed in all that follows tragedy. But Jason has just come out of the closet, and he has many other emotional issues to resolve besides his complex grief. A day later, Jason escapes back to Greece, never realizing that his journey to the truth has just begun. The Passport Stamper shares an intimate glimpse into the life of a homosexual man as he searches for peace and attempts to become the man he has always wanted to be.
