VICTORIAN FAIRY TALES

DOWNLOAD

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Victorian Fairy Tales, Michael Newton, 'The Queen and the bat had been talking a good deal that afternoon.' The Victorian fascination with fairyland vivified the literature of the period, and led to some of the most imaginative fairy tales ever written. They offer the shortest path to the age's dreams, desires, and wishes. Authors central to the nineteenth-century canon such as W. M. Thackeray, Oscar Wilde, Ford Madox Ford, and Rudyard Kipling wrote fairy tales, and authors primarily famous for their work in the genre include George MacDonald, Juliana Ewing, Mary De Morgan, and Andrew Lang. This anthology brings together fourteen of the best stories, by these and other outstanding practitioners, to show the vibrancy and variety of the form and its abilities to reflect our deepest concerns. In tales of whimsy and romance, witty satire and uncanny mystery, love, suffering, family and the travails of identity are imaginatively explored. Michael Newton's introduction and notes provide illuminating contextual and biographical information about the authors and the development of the literary fairy tale. A selection of original illustrations is also included. **ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
