The earth with all its appendages was likewise devoted to his use. But the ample control which was bestowed upon him over both organic and inorganic matter has never been found sufficient to satiate that unchastened lust of power, which frequently finds a lodgment in the human heart. So successful has ever been this wide and desolating war of rapacity upon human rights, that with rare and transitory exceptions, the sun, in his diurnal rounds, for thousands of years, has shined only on the palaces of tyrants and the graves of the oppressed. About the Publisher Forgotten Books publishes hundreds of thousands of rare...
