Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from An Arkansas Planter Lying along the Arkansas River, a few miles below Little Rock, there is a broad strip of country that was once the domain of a lordly race of men. They were not lordly in the sense of conquest; no rusting armor hung upon their walls; no ancient blood-stains blotched their stairways - there were no skeletons in dungeons deep beneath the banquet hall. But in their own opinion they were just as great as if they had possessed these gracious marks of medieval distinction. Their country was comparatively new, but their fathers came mostly from Virginia and their whisky came wholly from Kentucky. Their cotton brought a high price in the Liverpool market, their daughters were celebrated for beauty, and their sons could hold their own with the poker players that traveled up and down the Mississippi River. The slave trade had been abolished, and, therefore, what remained of slavery was right; and in proof of it the pulpit contributed its argument. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
