While staring up at the splendor of Manhattans towers, it strikes Michael James how easily humanity can trust their own inventions, and yet have trouble trusting their own Creator. While temptations and shortcuts sit in the path of James, he examines them through the guidance and love of the Creator. A Pair of Bowls is a journey amongst the common people guided with faith, the parables of life, lessons of the Bible, and a loving Father who fails to give up on his believers who face addiction, abuse, church corruption, racism, disease, and depression. This thoughtful and inspiring piece will have you considering the fecundity of spreading Gods kingdom. Through meditation, dedicated research, and a humble pursuit for purpose, author Michael James attributes the creation of this book to God. The inner conversations and deep considerations of faith lead you to unlock your own potential in becoming a fighter for the army of God.
