Electa Rome Parks paints a powerful portrait of a crazed fan who can t seem to close the book on the affair after a one-night-stand with a famous author--and who will stop at nothing to make him hers. Even if that means killing him. . . Bestselling author Xavier Preston is used to women throwing themselves at him. On top of being a successful writer, he s also tall, dark and sexy as sin. He s always relished the attention, in fact, and is ever-willing to entertain the erotic urges of women wanting to get between more than the covers of his novels. Except once he meets Kendall, he decides it s time to put his womanizing ways behind him and devote himself to her entirely. Well, almost. . . Gorgeous Pilar is the last decadent treat Xavier decides he ll help himself to--thinking they are both on the same no strings page. Except behind Pilar s fine facade beats the heart of a raving maniac--a fatally attracted fan addicted to the kind of hot loving only Xavier can give her. And she s not about to let him get away from her so easily. So what starts out as a discreet dalliance soon spirals into a deadly game of obsession and pain--which can only have one winner. . .
