Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Bad Day in Blackrock, Kevin Power, Lives are shattered when three private school-educated, rugby-playing young men attack another young man outside a Dublin nightclub. On a late August night, a young man is kicked to death outside a Dublin nightclub and celebration turns to devastation. The reverberations of that event, its genesis and aftermath, is the subject of this extraordinary story, stripping away the veneer of a generation of Celtic cubs, whose social and sexual mores are chronicled and dissected in this tract for our times. The victim, Conor Harris, his killers - three of them are charged with manslaughter - and the trial judge share common childhoods and schooling in the privileged echelons of south Dublin suburbia. The intertwining of these lives leaves their afflicted families in moral free fall as public exposure merges with private anguish and imploded futures.
