Square One Publishers, United States, 2013. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. According to the American Heart Association, high cholesterol is the leading cause of coronary heart disease, which continues to be the number-one killer in North America. While millions of Americans take prescription medications to lower their cholesterol, the fact is, these drugs often have very dangerous side effects. In his updated edition of Lower Your Cholesterol Without Drugs, best-selling author Roger Mason offers you safe and natural alternatives to effectively lower your cholesterol levels. He does so in a no-holds barred manner, separating the fairy tales from the scientifically valid truths. Divided into two parts, the book first looks at the causes of high cholesterol, citing primarily poor diet and nutrition. Part Two details how a balanced, vitamin-rich diet can naturally and safely lower cholesterol. The author explains which foods to avoid, and offers important tips on how to read the nutrition labels on food packages. In addition, the author provides information on natural supplements that can help lower even genetically high cholesterol. If you think it's time to achieve a healthy cholesterol level without using risky prescription drugs, you have come to the right place. Doing so is neither complicated nor expensive—it is simply a matter of knowing the simple steps to take. In Lower Your Cholesterol Without Drugs you will have the solution in hand.
