Now we come to a time when the power of Rome was broken and tribes of barbarians who lived north of the Danube and the Rhine took possession of lands that had been part of the Roman Empire. These tribes were the Goths, Vandals, Huns, Franks and Anglo-Saxons. From them have come the greatest nations of modern times. All except the Huns belonged to the same race and are known as Teutons. They were war-like, savage and cruel. They spoke the same language-though in different dialects-and worshiped the same gods. Like the old Greeks and Romans they had many gods.
